

INTERNATIONAL JOURNAL OF APPLIED RESEARCH ON TEXTILE
TRANSFER OF COPYRIGHT AGREEMENT

Scientific society and authors share a common interest in the protection of copyright: authors principally because they want their creative works to be protected from other unlawful uses, scientific society because it needs to protect its work and distribution of the articles written by the author. In order to do so effectively, scientific society needs a formal written transfer of copyright from the author(s) for each article published.

Scientific society and author are also concerned that the integrity of an article (once accepted for publication) be maintained, and in order to protect that reference value and validation process. Please complete and return this form promptly.
